

**The Stone Soup Leadership Institute's Sustainable Education BETA Program  
Redwood High School • Video Permission Form 2022**

Thank you for being part of the Stone Soup Leadership Institute's West Coast BETA Program. We are honored that Walter Cronkite was the Institute's Honorary Chairperson. He invited us to video all of the Institute's work with young people around the world so that we can inspire many more young people to become leaders in their lives, their communities and the world.

We record our BETA sessions so we can learn together. The Institute's videographer will edit all the videos so that each one has a high-quality. These videos will be used for educational purposes. We will share the videos with other educators in the San Mateo County Environmental Solutionary Teacher Fellowship and with Green Teacher. Presentations from our guest speakers during the sessions will also be made available. We will feature the videos on the customized BETA Site for Redwood High School. We will feature the best ones on the Institute's YouTube - Safe for Kids - Channel and on the Institute's social media platform.

I hereby grant permission to the rights of my image, likeness and sound of my voice as recorded on audio or video tape without payment or any other consideration. I understand my image may be edited, copied, exhibited, published or distributed and waive the right to inspect or approve the finished product wherein my likeness appears.
