Terceira, Azores

Dear Mayor de Meneses:

I am writing today regarding the positive response to the possible collaboration between the Bristol Agricultural High School community and the students of Terceira.

Stone Soup Leadership Institute's Sustainability Summit will take place this June at the Bristol Agricultural High School's 220-acre campus located in my district. I am told there has already been significant interest from their student population, and I hope to be a resource to Terceira's youth delegation to ensure lodging and various activities to solidify sufficient accommodations.

As you know, there is long-standing history and heritage between Terceira and the Southeast region of Massachusetts. I look forward to welcoming your community's youth delegation and hope you can join us during that time. For planning purposes, it would be helpful to know the number of participants from your delegation that will be attending the Sustainability Summit this summer.

Finally, for your information, I will be in Ponta Delgada from January 7-11<sup>th</sup> followed by a visit to Lisbon from the 12-16<sup>th</sup>. If your schedule permits and you would like to meet, please do not hesitate to contact me directly at [senatorpacheco@gmail.com](mailto:senatorpacheco@gmail.com) or on my cell phone at 508-930-5708.

Sincerely,

Senator Marc R. Pacheco
